# Welcome to WGHS

Wolverhampton Girls' High School has a long and established history of providing outstanding education for girls for over 100 years. We pride ourselves on our traditions, but we do not stand still, we are striving for continuous improvement. There is no charge or cost related to the admission of a student to the school and we welcome students from within the City of Wolverhampton and beyond.

We offer a broad and rich curriculum where all students are encouraged and supported to achieve their personal best in all aspects of school life. Our combination of high expectations and support tailored to meeting individual needs leads to confident and well-rounded young women who are well prepared to take on the next stage of their lives. Students are highly motivated to learn and personalised learning lies at the heart of our provision. Students also benefit from exceptional learning facilities.

The school is respected as one of the best state schools in the country, regularly achieving examination results which place it at or near the top of national league tables. This success has also been recognised by Ofsted, with the school achieving five successive "Outstanding" inspections. In the most recent inspection in November 2023, we were graded Outstanding in every category.

Whilst academic achievements are an important part of life at WGHS, students enjoy the wide range of other opportunities. These include participation in the thriving house system, and opportunities in the fields of sport, music and drama. There is a plethora of activities for the students to engage in from leading whole school events; to organising charity fundraising activities; participating in debating competitions and enjoying expeditions abroad.

Our team of dedicated staff ensures that students are well supported to achieve academic success, within a caring community. We have placed pastoral care at the centre of our school community through our "Hub". Pastoral care provided is exceptional, focusing upon student wellbeing and equipping students with the skills and knowledge that will support them to navigate life beyond the school.

The school's motto: Ludus Supra Praemium (which translates as "the game before the prize"), emphasises the value of taking part as a member of the school community. Our girls are encouraged to develop skills for lifelong success in terms of understanding themselves as learners and developing as responsible citizens, demonstrating care and respect for all members of the community. As a result, they leave WGHS with fond memories, and equipped as confident and independent minded young women ready to take on the challenges ahead and enjoy success in their chosen fields.

WGHS is a special place to be, with its supportive atmosphere encouraging all students to achieve their best in all aspects of school life. Thank you for your interest in this exciting opportunity, we encourage you to apply and come and join our community.
